Written Comments from EAS Poll

Larry F Shepard - voted support - but do not want to pay for it.

Richard G Rogers - voted support - if surcharge isn't too high.

Kelly Indicavitch - voted support - I don't think anyone should be charged a surcharge, not even Midvale.

Georgia M Larson - We would appreciate EAS but we are not interested in paying an extra \$9 - \$13 per month. We have very good service with a cell phone.

Patsy Miller - I don't support the surcharge our bills are high enough now. I don't even get to use the phone.

Ray Beckage - We are willing to support telephones in the area. Will sign off on charges when plan is unveiled.

R Smith - I support with out the surcharges.

John S Reichert - I will go with the majority in Mtn. Pine Acres

Angela Tominson - I support it, however, may not agree to sign up for it at this time. Unable to determine.

Robert Michel - As long as the surcharge is not passed on.

Pat Johnson - I do not plan on using the service at present time.

Lynn Hughes- I don't think a surcharge is appropriate.

Kris Packard - We do not even have phone service out here.
If you provide one you will have a lot of new customers!!

Chris Dowland - Phones very much needed in our area!

Jeanne Hallquist - I support local calling WITH OUT a surcharge.

I support ONLY if persons using these services are charged. Not owners of empty land.

We do not or have no future plans to reside on this property, therefore I would not want to answer these ?'s.

I need to know how this will impact the current status.

Since we don't live here I can not comment.

Not enough information to make a choice.

We have 2 Alltel cell phones - both are a percentage of land lines and cell phones are portable!

Susan K. Baxter – surcharge is excessive – areas noted are considered to be part of Prescott therefore, a long distance charge is unsupported.

Dennis Hawxby – I would support this if there was a guarantee in writing “no surcharge ever!” \$9 to \$13 is a rip off. Don't you have any pull with Qwest?

Jennifer L. Stephenson – There is not enough information here to determine.

John and PJ Shannon – No phone lines exist.

Patricia Ann Evans – I do not support such a service until service is provided to all Antelope Meadows residents. Why and When can we expect service to our area?
